

Certificate

myclimate confirms that

Munich Re Foundation

has offset all greenhouse gas emissions caused by its event:

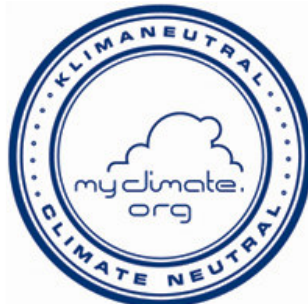

2005 Microinsurance Conference: „Making insurance work for the poor. Current practices and lessons learnt”

at Akademie Schloss Hohenkammer, Munich, Germany, October 18th to 20th 2005
hosted by the Munich Re Foundation and the CGAP (Consultative Group to Assist the Poor) Working Group on Microinsurance

The compensation of 171.36 tons of CO₂ created by the travel of 90 participants from 24 nations to/from the event site is achieved in the following carbon-offset project:

„Clean electricity for rural population, India“, Project No. 1003

Your event is climate neutral.

Zurich, October 19, 2005

Renat Heuberger, Managing Director
