

CV Dirk Reinhard

Dirk Reinhard graduated in Industrial Engineering and Management and has more than ten years experience in the sustainability and finance industry sector. From 2001 to 2004, he was responsible for sustainable investment in the Environmental Management Unit of Munich Reinsurance Company, a global leader in the reinsurance field, and has published numerous articles on this subject.

Prior to joining Munich Re, he worked for oekom research AG as a sustainability analyst in the period from 1995 to 2000.

In April 2004, Dirk Reinhard was appointed Vice-Chairman of the Munich Re Foundation. The Munich Re Foundation addresses the major global challenges – environmental pollution and climate change, water as a resource and risk factor, population growth and disaster prevention – and helps people confronted with risk. One of its core activities is promoting public awareness. In accordance with its motto “From Knowledge to Action” the foundation aims to prepare people to deal with risk situations and to improve their living conditions. The foundation researches, clarifies and supports – above all in developing countries.
