

# Technology Enabled Partnerships in Mobile Microinsurance

12<sup>th</sup> International Microinsurance Conference

November | 2016

# Microinsurance outreach through MNOs in Asia (MicroEnsure and Bima)

Cenfri (The Centre for Financial Regulation & Inclusion) is a global think tank that bridges the gap between insights and impact in the financial sector.

We are driven by a vision of a world where all people live their financial lives optimally to enhance welfare and grow the economy.

Our core focus is on generating insights that can inform policymakers, market players and donors seeking to unlock development outcomes through inclusive financial services and the financial sector more broadly.
