

Access to Insurance Initiative (A2ii)

The role of policy, regulation and supervision
in enabling climate risk solutions

As **implementation partner of the IAIS**, we strengthen the **capacity and understanding** of supervisors to facilitate the promotion of **inclusive and responsible insurance**, thereby reducing vulnerability.

Why regulation and supervision?

Stimulating the market for CRI

- Stimulate supply by enabling risk carriers within the domestic insurance market
- Give room to test innovations
- Address demand constraints related with awareness, trust, appeal, culture, affordability

Championing CRI

- Catalyse action to strengthen resilience against climate risks
- Act as a bridge and communication catalyst between policymakers, the insurance industry and consumers
