

Renate Kramer

Qualified insurance practitioner, team assistant

Background:

Renate Kramer joined Munich Re as an insurance trainee on 1 September 1991. Over the last 20 years, she has gained a wide range of underwriting experience working in various departments. In addition, she was responsible for facilitating and organising international scholarship programmes as well as staff and client seminars. In 2014, she was a member of the team organising the Munich Re Supervisory Board elections. Before she started working for the Munich Re Foundation, Renate Kramer was in charge of user management for connect.munichre.

Responsibilities at Munich Re Foundation

Renate Kramer started working for the Foundation as a team assistant on 1 July 2014. She is responsible for office organisation, travel management and arranging appointments. She is also involved in the team's project activities.

About the Foundation:

The Foundation's work addresses major global challenges: the fight against poverty, environmental and climate change, water as a resource and risk factor, demographic development and disaster prevention – and supports people in risk situations.
