We will be hosting a second cohort of the IFC ILO Women's Insurance CoP over 2023/2024!

Are you in the insurance industry & would you like to better target the women's market to:

- Help reduce the gender protection gap
- Make the most of the economic opportunity?

If yes, then get in touch & apply for the next IFC ILO In4Women CoP!

Follow the QR code and send us your email address! We will send you the application form, which must be sent back to us by 30th November 2022.
