How Fintechs can include?

The Filipino's use case

**SSS Program from the
EU/UK to the Philippines**

Family Protection Coverage

Embedded insurance

A dedicated solution for each case

Pay SSS online

You never know when you're going to need a plan B. Filipinos can pay their Philippine Social Security System (SSS) from Europe, and still get the same social security as back home in the Philippines.

- **Sickness**
- **Disability**
- **Unemployment**
- **Maternity leave**

Family Protection Coverage

Help you take care of your loved ones, even when you are miles away...

- **Covid 19**
- **Dengue fever**
- **Home care assistance**

The family member is also getting telemedicine services and easy access to emergency assistance for their entire household, 24/7.

Personal accidents: embedded insurance (AIG)

Insurance Plans

The more money you send, the better your plan gets

B

Basic Plan

Send €200 (or more) per month and get coverage for:

Accidental death, dismemberment, or paralysis **Up to €5,000**

Temporary total disability (caused by an accident) **N/A**

In case of death due to an accident:

Funeral costs **N/A**

OR

Repatriation **N/A**

S

Silver Plan

Send €650 (or more) per month and get coverage for:

Accidental death, dismemberment, or paralysis **Up to €10,000**

Temporary total disability (caused by an accident) **One-time payment of €400**

In case of death due to an accident:

Funeral costs **Up to €10,000**

OR

Repatriation **service provided by AIG**

G

Gold Plan

Send €1,500 (or more) per month and get coverage for:

Accidental death, dismemberment, or paralysis **Up to €20,000**

Temporary total disability (caused by an accident) **One-time payment of €750**

In case of death due to an accident:

Funeral costs **Up to €10,000**

OR

Repatriation **service provided by AIG**

THE MAIN CHALLENGES

How to include everyone & Secure the activity?

Financial literacy

Building the product design

Regulatory challenges

AML & Financial security

Distribution channel
