

**SESSION A3:**

Assessing the evidence base

12<sup>th</sup> September 2023, Tuesday

16:30 – 18:00 CEST

What are key research and implementation gaps on relocation decision-making and planning?

What methodological, practical, ethical principles should guide efforts to fill gaps in planned relocation knowledge?

What resources are available for communities and government planners concerned about habitability and considering relocation?

Organized by:

In collaboration with:

### Presentations

- *What we know, don't know, and need to learn*  
- Erica Bower, Stanford University, USA
- *Leaving Place, Restoring Home: Enhancing the Evidence Base on Planned Relocation Cases in the Context of Hazards, Disasters, and Climate Change*  
- Sarah Koeltzow, Platform on Disaster Displacement (PDD), Switzerland
- *Conceptual foundations for decolonizing planned relocation research, policy and practice: Accounting for prior experiences of environment-related displacement*  
- Lauren Grant, Global Centre for Climate Mobility (GCCM), USA
- *From Displacement to Development: A Resilience Approach. Operationalizing the SG's Agenda on internal displacement in the Sahel.*  
- Alberto Preato, UN-Habitat, Kenya

### Moderated Discussion and Q&A

David Durand-Delacre, UNU-EHS
