

**SESSION A5:**

Policies and normative principles for planned relocation:  
Experiences and experiments in national contexts

13<sup>th</sup> September 2023, Wednesday

13:00 – 14:30 CEST

What national legislative, normative frameworks and principles can/should be applied to the topic of planned relocation?

How does relocation decision-making and planning at the national level relate to global agendas, e.g. on adaptation, disaster risk reduction, human rights, and loss & damages?

What financial and technical resources are required at national level to assess risks, engage in inclusive dialogue with communities, and finance needs?

Organized by:

In collaboration with:
